I am beyond excited to take you on a journey that only an international arts festival on Noongar Boodjar can.

Over the four years of my tenure, expect art in all its forms, from all corners of the world and from right here in Western Australia. Our eternal summer, eclectic neighbourhoods, glittering bilya and vibrant communities will come together in a crazy kaleidoscope of art.

They will be festivals of surprise and delight. We will take risks, push boundaries and reflect this wonderful and complicated world we live in. We will transform spaces and create unforgettable experiences, encouraging Western Australians to look at our city and state with pride.

Join us with your curiosity, passion, sense of adventure 1and support. I can't wait to see what we can achieve together in the coming years.

Mischief won't make itself.

Anna Reece

From Feb to March, to in your head forever.

Perth Festival is your annual summer invitation to otherworldly experiences.

With four constant principles that have, and will, guide the annual Festival program, you can choose to support the Festival as a whole or directly support extraordinary programming, the telling of local stories, access initiatives or artist and arts sector development.

With ticket sales accounting for just 30% of what's needed to create these unforgettable Festival experiences, your donation will directly help shape our Festival.
